Happy June 2016! We are busy with the many tasks of observing, assessing and reviewing your child's levels in reading, writing, and numeracy, as well as their social and emotional levels, and their workmanship, penmanship, goal setting, and effort. All this and more come together in a professional and thoughtfully written June report card. This is likely the last time you will see this report card format as we move to a new assessment tool next year. We welcome you to the Salmon Ceremony next Friday at 11am. Please send your child with their lunch as we are not providing lunch this year. There will be tasty bannock!

Last Friday we had our Fancy Dress Up Day. We had great participation and saw many staff and students dressed very sharply. See some photos here:

## **SCHOOL UPDATES:**

### **Principal's Message**

Happy June 2016! We are busy with the many tasks of observing, assessing and reviewing your child's levels in reading, writing, and numeracy, as well as their social and emotional levels, and their workmanship, penmanship, goal setting, and effort. All this and more come together in a professional and thoughtfully written June report card. This is likely the last time you will see this report card format as we move to a new assessment tool next year. We welcome you to the Salmon Ceremony next Friday at 11am. Please send your child with their lunch as we are not providing lunch this year. There will be tasty bannock!

Last Friday we had our Fancy Dress Up Day. We had great participation and saw many staff and students dressed very sharply. See some photos here:
