## **SCHOOL UPDATES:**

### **Principal's Message**

Thank you parents for arranging your schedules this week as we are busy meeting with you for the Parent/Teacher Conferences and continuing our learning for the Professional Development Day. Our entire school practiced the Shake Out BC Earthquake Drill today. We practiced the 3 steps: DROP to the ground. TAKE COVER by getting under a sturdy desk or table and HOLD ON to it until the shaking stops. After counting to 60 we carefully met outside in our staging area with our Buddy classes. Teachers showed what was in the Emergency Class Backpack and looked to see who still needs a Comfort Kit. The drill was run safely and smoothly. All of our Grade 4 and 5 students tried out rugby this week thanks to the VIKES Women's rugby team. The office is in the final stages of entering verification forms. We have received numerous registrations for future Kindergarten students (all the way to September 2021!) and thank you for passing along the word to your neighbors and friends. Teachers have been meeting in grade alike groups with Mrs. Jost to learn the new report card system and classes have been combined and responded well to Reader's Theatre and active, wide games in the gym. Thank you Head Lice volunteers and Library volunteers for your reliable, skilled help! See you next Friday at the Halloween Dance!
