## **SCHOOL UPDATES:**

### *Principal Report*

Our final week together looms and I am filled with gratitude for my rich, school community experience at Cloverdale Traditional. We have been a good fit and appreciate that the school board hiring committee thought that as well, seven years ago. Choosing highlights of my time here is a challenge. Fun for me has been working with the PAC executive and event coordinators and visiting with all of the families at the events. Daily laughter was found working with Jenna Haywood and Sandra Jost. Sorrow was deep with the loss of student, family and staff members from our school community. Reward for me has been assisting in the seismic upgrade move and seeing the community connections for the 100<sup>th</sup> Birthday celebration. I have felt pride for the large and small things that people have done to help each other and help build our school. It has been a privilege to be part of your young families. Thank you for your support. The students though are the shining light for me. I will miss them with all of my heart. Our students blossom because of the extra effort behind this school of choice. Everyone who is here took that extra time to make that decision to attend as a family and staff member. Thank you to our tremendous staff who are the drivers behind our strong academic offering and who create a classroom environment based on expectation, responsibility and respect. We have a truly dedicated professional staff and they are the reason our families stay. Our guiding principles are timeless. Hold true to these and look for ways to strengthen. Continue to support one another. This school works and works well. This school has enormous capacity and even more untapped success. I know you join me in congratulating Mrs. Sandra Jost, as the new principal for the school. The next perfect fit to bring Cloverdale Traditional to the next level! Happy and Safe Summer to all of you! ~Miss Pick
