SCHOOL UPDATES:

Principal's Blog

Welcome Back and Happy New Year! I wish everyone a very healthy and happy 2019. It has been a very busy first week back. There were lots of smiles and students saying they were glad to be back. Kindergarten registration has been very successful. Thank you to our office staff for their organization and efficiency.

Our split rail fence around our Living Knowledge Garden is finally complete. The internal paths and plant labelling is still to be completed. Through the seasons, you will see new native plants appear. Classes will be using this area to learn about environment and plants. A huge thank you to the PAC for supporting this endeavor.

The third portable is now complete and out of care students that were temporarily housed in Cloverdale Traditional School have moved to their new home.
