## SCHOOL UPDATES:

### *Principal's Blog*

At today's assembly, we acknowledged many of the activities that are happening around Cloverdale Traditional School. Mrs. Jones was presented with a plaque from CBC Music Challenge. Once again congratulations to Mrs. Jones, Mr. Campbell and all the students that made this dream come true. Ready Set Learn, on Wednesday, was a huge success with 35 three, four and five year olds attending. Thank you to Mrs. Petrovic and Mrs. Dailyde for organizing this event. Thank you to the Victoria Symphony for putting on an amazing performance at UVic for our grade 2 and 4 students. I am sure it inspired students to continue exploring music. Hat Trick for Literacy is sponsored by the Victoria Royals. Your child should have brought information home this week on how to earn a free hockey ticket to a Royals game: exercise 3 times in one week and read three books. Healthy body, healthy mind! Good luck to our choir who will be singing O Canada at Sunday's Royals game.

To stay up-to-date on messages from Mrs. Jost, follow her blog here:

### *Russell Books Fair:*

Thanks to everyone for helping to make this year's book fair a fabulous success. In addition to promoting a love of reading and books, this is the primary fundraising event for the library each year. We are happy to report that we raised just over \$1200 which will go toward purchasing the many books that students requested from the fair and more. Check out the "New Books" shelf in the library to see our new additions over the coming months.

### *Upcoming PAC Info Night - Presentation on Entertainment Technology and Today's Families*

Have you ever questioned the role of entertainment technology (e.g. video games, social media apps, etc), and its role in your family?

Please come out and join Registered Certified Counsellor, Shannon Husk, from the BC Responsible Gaming and Gambling program in an interactive presentation about the "Impact of Entertainment Media on Today's Families." This Parent Info Night will take place on March 5 at 7:00 p.m. in the school library.

Shannon is happy to facilitate a balanced discussion, and will be there to answer any questions you may have as a parent about technology and your children, along with providing some helpful tools to create a better family life balance.

## DISTRICT AND COMMUNITY UPDATES & INFORMATION:

### Summer Camp Opportunities
