SCHOOL UPDATES:

Principal's Blog

Congratulations to all of the students who participated in the Science Fair at UVic last Sunday. Students used inquiry based learning to investigate and answer a question they had about a scientific concept. The students were judged and Calvin placed second in Scientific Spirit Category, Tabi place second in the Astronomy Category and Mabel placed second in the Canadian Meteorology and Oceanology Category.

The grade 5 students are preparing for the Greater Victoria Performing Arts Festival, and will be competing later this month. Some Grade 4 and 5 are preparing for the Math League Contest. Thank you to our PAC as they continue to do an amazing job to support our school. We welcomed some new faces to the business meeting on Tuesday. Please consider being part of the executive. It is a wonderful way to meet new people and support all the things the PAC does to create a cohesive and engaged school community.

ArtsREACH is a fabulous non-profit organization that brings art, drama and dance into schools. We have been very fortunate to have them put on workshops in our school. If your child has come home with oversized art, it probably was a result of this programme. ArtsREACH is looking for people to join their board. Please see the brochure for more information.
