## MONK SCHOOL SUPPLY FUNDRAISER Order Your School Supplies Now Online!

Can you believe it's almost the end of the school year? We're already planning for next fall and wanted you to know about an easy way to simplify your back-to-school preparations... you can order a kit of your child's school supplies now (from local supplier 'Monk Office') and they'll be delivered to your child's classroom in September 2019!

*\*If you do not wish to pre-order your child's school supplies,  
you can always purchase school supplies on your own at any location of your choice\**

### What are the Benefits?

- ✓ Monk Office builds each kit directly from your child's teacher's list, ensuring every item is exactly what the classroom teacher has requested.
- ✓ Save yourself the hassle of shopping for school supplies! Why waste time trying to chase down out-of-stock items or lining up in crowded stores when you can just grab a cup of coffee and order everything in one go?
- ✓ Monk Office provides the school supplies at better-than-retail prices, and returns 10% of the kit's price to the school for investment in school activities and equipment!
- ✓ A \$5 PAC fundraising fee is included in each student's school supply order, making this an easy way to help your PAC raise funds for additional school equipment, events, etc.
