## **SCHOOL UPDATES:**

### *Principal's Blog*

The world attends Cloverdale Traditional School and this week, we have learned about Eid and been part of the celebration. We look forward to learning about other cultures and traditions. Today is Jump Rope for Heart. This is a very important fund raiser for our school. Many families have been touched by heart disease. Students will be skipping for an hour this afternoon. It is an excellent form of exercise and it allows students to learn new skills and develop friendships. On Tuesday, I hope all parents, grandparents, aunts and uncles that help support our school and our students will join us on the basketball court so we can thank you. Coffee and treats will be available starting at 8:00. Without all of your support, Cloverdale Traditional School would not be such an amazing school. THANK YOU!

### *Parent Appreciation Morning*

We invite all parents, guardians, and grandparents etc to join us between 8:00 a.m. - 9:00 a.m. on the basketball court for morning coffee, tea, and treats. A little "Thank You" from our staff to all our dedicated families for another great school year at CTS.

## **DISTRICT AND COMMUNITY UPDATES & INFORMATION:**

### *Catchment Boundary Review Update*

The District will be sharing their latest boundary review recommendations to the Board of Education this month after receiving community input on the phase three proposal.

The District hosted eight school-targeted consultation meetings in the month of May to discuss the proposed changes with the schools directly impacted while continuing to gather input online. The phase three proposal involved some new considerations for specific schools. As a result, the District felt it was important to directly connect with the school communities that could potentially be affected.

For timelines, background information and the phase three proposal, please visit the [boundary review webpage](#).

New recommendations are now planned to be presented to Trustees at a Special Board meeting on June 19th, 2019, where there will be an opportunity for attendees to submit input. The following week, the Board will meet again on June 25th, 2019 for final deliberations.
