SCHOOL UPDATES:

Principal's Blog

What a fabulous turnout we had for our welcome back barbecue and meet the teacher night. It was great to see all the families with present and former students socializing and eating on the back field on a warm end of summer meeting. A huge thank you to Jenna Haywood who organized the barbecue and to all the parents who helped with set up, serving and clean up. The staff enjoyed opening up their classroom and sharing the year's plan with you. If you were unable to attend, teachers would be happy to fill you in on their year's plan.

Thank you to Su Ma and Colleen Chong who were able to start up classrooms while waiting for our new staff. I am sure we will see them around the school this year.

On Monday, we will be having our ArtStart presentation by Andy Kim who combines music and science. We are excited to learn how the two work together.

Please continue to encourage your child to be involved in school activities: green team, running club, leadership, choir, and many more opportunities as the year progresses.

Constable Rosales, our police liaison officer was seen playing soccer with our students on the back field one lunch hour this week. He is going to try and drop by occasionally to join in on the fun. Thank you Constable Rosales.

I hope you and your family have time to enjoy the beginning of Fall in the great outdoors this weekend.

Toonies for Terry

This Friday we will be having our annual Terry Fox run. All children in the school will participate in the run on the back field beginning at 2:00 p.m. We also encourage students to bring in a toonie for the donation bowl. All money donated will be sent to the Terry Fox organization. Donations will be accepted in the office all week.

Parent Teacher Interviews

Parent Teacher Interviews are coming up on October 2 and October 3. Students will be dismissed at 11:54 a.m. both days. Please see the email that was sent this morning for more information on how and when to book.
