SCHOOL UPDATES:

Principal's Blog

Welcome to our new families and welcome back to our returning families. It has been a very busy week. Students are settling into classrooms and routines. We are looking forward to a very successful, busy year. Cloverdale Traditional School is an amazing community. Our PAC is organizing lots of activities throughout the year. Please watch for their E-Blast for regular updates and volunteer opportunities. Students will be given lots of opportunities to join clubs and activities. Please encourage your child to get involved. Our first school wide event will be meet the teacher and welcome back barbecue. I hope that you are able to attend. It is a great opportunity to look around your child's classroom, hear what is planned for the school year, and social on the back field while having a bite to eat.

I always enjoy talking to students and parents. Please do not hesitate to drop by the office, send an email or phone to say Hello, share your ideas or voice a concern.

Here's to a very successful 2019-2020 school year!

To stay up-to-date on messages from Mrs. Jost, follow her blog here:

Summer Watering Help

Thank you to the following parents for volunteering a week out of their summer each to come to CTS and water all the garden beds for us: Ashley Mullin, Carmelle Granger, Greg Horie, Nikki Chapman, Janice Mangano, Shannon Petrovic, Jen Irvine, Adrienne Maurakis, Starr Munro

Parking

Please remember when dropping off or picking up students each day that there is parent parking at the back of the school in Linwood Avenue. The front of the school area is for staff parking and parent drop off only. Please do not park in the drop off or staff parking. The drop off lane is for drive through dropping off only. A reminder that parents are not allowed to park in the Thrifty Foods parking lot, your vehicle will be towed. As parking is at a premium we ask that you consider parking close by and walking with your children.

DISTRICT AND COMMUNITY UPDATES & INFORMATION:

1000 x 5

Every child develops language, imagination and love of learning by hearing story after story by age five. Many families lack the resources to provide these critical books for their babies and preschoolers. With your help 1000X5 has sent 200,000 books into homes providing 30 books/year for each child. That changes everything in reading opportunities and habits. The program always needs more books. Drop your gently used picture books for babies and preschoolers off in the bin in the school office.

For information on upcoming community events, news from the school district, weekend and after school activities, and pro-d day camps, see our website here:
