SCHOOL UPDATES:

Principal's Blog

Congratulations students for an excellent first term! Even though you have talked about what is happening at school and how your child has been meeting with success, today is an important day, as students bring home their report cards. Please celebrate all the successes that your child has experienced this year. Every child has shown growth, emotionally socially and academically. I believe that every child is learning the tools to equip them to be life long learners and to make a difference in the world. It was a pleasure to read all of the report cards. Running club continues for grades 1 to grade 5 and Rubik's cube club has started for Grade 3. Twenty-seven grade 5's have joined the basketball team and are practicing two a week. Inter-school games will take place in the new year.
