SCHOOL UPDATES:

Principal's Blog

It has been a beautiful sunny week and I hope that you have been able to get outside and enjoy while continuing to be safe. As we continue to learn more about learning from a distance, teachers are working very hard to ensure that they are providing opportunities for you and your child to try. Each week we are learning new things and exploring how that might meet the needs of teachers, students and families. I have been receiving some photos showing what fun and learning looks like at home. I love seeing them, so please keep sharing.

Last week's photos were challenging and perhaps too challenging.

Here are the answers

1. Picture on the mural at the end of the hall by Mrs. Young's classroom
2. Door stopper
3. Door hinge on gym door
4. Hand crank on volleyball stand in the corner of the gym
5. Bell/clock in the office

The following students were successful: Genessa (4), Maheen (2)

Here are this week's photos: <https://cloverdale.sd61.bc.ca/wp-content/uploads/sites/63/2020/04/Week-3-Photos.pdf>

All of the photos are from outside on the school grounds. Please send your answers to me at sjost@sd61.bc.ca

Please stay safe. Please know that we miss you and that we can't wait until we are inviting all of you back inside the school
