

Dear Ms. Jost, staff, students and families of Cloverdale Elementary School,

Thank you so much for supporting Lamay Primary School in Katesh, Tanzania. We visited there in March and were preparing for a visit of Grade 12 students from Stelly's Secondary School in Saanich when WHO announced the Corona Virus Pandemic and the school trip was cancelled. We had to cut short our stay and quickly make preparations for a hasty homecoming. There wasn't time to visit Lamay Primary School so Victor, the Head Teacher brought a representative group of Intermediate students over to the house where we were staying. Below are pictures showing how we spent the money you donated from your Christmas Concert. The students and teachers at Lamay send many thanks and profound appreciation of your gifts.

School supplies, a clock,
charts, teachers
reference books and
story books for
children.

Head Teacher, Victor,
with some students in
the living room of our
house to accept your
gifts.

In Canada students take reading and books for granted. In Tanzania, this is not so. Here the kids fell silent when they saw the books and could hardly put them down.

Getting a clock for the school is something special in Tanzania and something we take for granted in Canada. Also the Primary teachers were really happy to receive the charts!!

the biggest

**Victor packs up everything on his motor bike
and the kids get ready to walk home!**

Asante Sana (Thank You) to Everyone at Cloverdale!
