SCHOOL UPDATES:

Principal's Blog

Happy Long Weekend! I hope that you will be able to find new and different things to do this weekend. Perhaps if there are some clouds you can see what pictures they are creating and make up a story.

Next week there will be some changes at Cloverdale Traditional School. We will be welcoming students back at school as we continue to support our Essential Service Workers families. We have also said good-bye to the students and Educational Assistants from Braefoot and Cedar Hill that have been with us for the last several weeks. They are returning to their schools. We will miss them. A huge thank you goes out to our Educational Assistants as they continue to do an amazing job at supporting our families and students.

Thursday was our drive by Welcome to Kindergarten. Thank you to Mrs. Kheari, Mrs. Petrovic, Mrs. Clifford and Mrs. Bird for organizing this opportunity. It was great to see familiar faces as well as greet new families. I hope you enjoy your bag of supplies and activities. If you were not able to pick up your bag, please contact the school and we will arrive for you to pick one up.

Last week's pictures were: the sign on the baseball diamond back stop, the stump near the blue green playground, the climbing wall handle on the blue green playground, the plaque by the bike rack, and the primulas in the planter near Mrs. Kheari's classroom. The following students were successful with identifying the pictures: Tharuli (4), Connor, Olivia, Maheen (3). Well done.

The staff continue to think about all of our families and wish them health and safety. If you are in need of any support, please do not hesitate to contact the school or email me at

sjost@sd61.bc.ca All of us cannot wait to see all of the students back at school.

Virtual Running Club!

Students and parents - Get your running shoes out! We are creating a virtual Cloverdale Run Club lead by Ms. Glover and parent volunteer, Mr. Burrell. This will be a way to stay connected in a safe way and get out to exercise with some accountability of your fellow runners. An online app will help guide you through warm ups and cool down stretches, as well as be a place to post your run locations and chart your times if you so choose! To join this group, please email Ms. Glover at bglover@sd61.bc.ca and we will send you further instructions on how to sign up. Hope to see many of you out running soon!
