SCHOOL UPDATES:

Principal's Blog

The Cloverdale Traditional Staff has been extremely busy over the last two weeks preparing the school to ensure it is a safe and healthy place. We will learn and practice social distancing and proper handwashing. We will find new ways to learn and interact while maintaining a safe distance from others. We will continue to share huge smiles, words of encouragement and the love of learning. We will have the opportunity to reconnect with friends that we have not seen in a long time.

For some students this is the first time back since Spring Break while others have been at school for many weeks. We will work together to continue to have the warm and caring environment that makes Cloverdale Traditional School an amazing place.
