SCHOOL UPDATES:

Principal's Blog

Thank you for your support in continuing the learning of your child. We know that this comes with lots of successes and challenges. We hope that the activities the teachers are providing are giving variety and engagement. Learning can take place throughout the day and does not have to be book or technology based. Playing a card or board game, puzzles, baking, and estimating distances, quantities and weight are all great learning opportunities. If you would like to share some of your experiences please send them to me at sjost@sd61.bc.ca

We are planning how we can provide class pictures and our yearbook. As well we are trying to be creative of what year end grade 5 and kindergarten activities might look like.

Welcome to Kindergarten, originally scheduled for May 14 is on hold. We are working with the district on an alternate format. We will be informing all kindergarten families once the details are confirmed.

Here are the answers to last week's pictures

1. PAC bulletin board by the office
2. Buddy Bench at the playground at the front of the school
3. Playground at the front of the school
4. The boys washroom by the gym
5. Banner in the gym by the equipment room

The following students were successful: Maheen (4), Rose, Tharuli, Kosar (1), Connor, Olivia, Ella(1), Ethan (2) Elise (4)

Genessa's name was missed out of last week's successful students.

Class Placements for 2020-2021

The staff is starting to think about the 2020-2021 school. Although we do not know what school will look like for September, we will be creating classrooms assuming that classes will have the same number of students as in past years. If we need to adjust as a result of COVID we will make changes. If you have an information about your child's learning style or needs that we are not already aware of, please email Mrs. Jost at sjost@sd61.bc.ca
