SCHOOL UPDATES:

Principal's Blog

We have really enjoyed the past week as we welcomed students and families returning to Cloverdale Traditional School. The students learned the new routines quickly and got back into the old routines seamlessly. There has been lots of laughter, fun and learning happening. Students have been able to reconnect with their friends and staff. Thank you to everyone as we navigate the new normal.

We are working hard to figure out what the end of the year will look like. We know that it won't look like any other year, but we do want to recognize all the achievements that have taken place, as well as Cloverdale Traditional School no longer being a school of choice. Please watch the newsletters.

Later this month, there will be information coming out about picking up your child's school supplies, report cards and year book, and returning library books and school resources. Once again the PAC will be offering the 2020-2021 school supplies fund raiser through Monk Office Supply. More information to follow.

One of our grade 5 students, Rae, has organized a fund raiser to support the Lamay Primary School in Tanzania. Please see the following flyers for a bottle drive and on-line auction. Please help make this a success. Thank you Rae!
