SCHOOL UPDATES:

Principal's Message

We have had another wonderful week here at Cloverdale Traditional School. Students are working hard to be the best learners they can be and we are seeing significant academic strides forward with many. The *Wheel and Walk to School* tallies were counted. It is impressive to see how many students (and their families), are recognizing the health and earth benefits of these initiatives. Even when home is too far for a walk to school, many are stopping part way in order to walk, and several children noted more outside and exercise time at home.

Student safety is very important to us at Cloverdale, and is a focus in all of our classrooms. Safe behaviors are consistently being reviewed and students are involved in discussions about what safety looks like, sounds like and feels like here at Cloverdale Traditional School. Please take a moment to talk about safe behaviors with your child, in particular, safe routes to school and basic safety rules of the road when walking or wheeling to and from school. We will be hosting Constable Alex Rosales, our Saanich Police School Liaison Officer closer to the end of the month to discuss Halloween safety. The students always look forward to his visits!

As we continue to work within the COVID Health Guidelines (the *COVID 19 District Exposure Control Plan* is linked on our school website for those who have questions), we appreciate the support from families and community members as we do our best to keep everyone healthy and safe.

DISTRICT AND COMMUNITY UPDATES & INFORMATION:

For information on upcoming community events, news from the school district, weekend and after school activities, and pro-d day camps, see our website here:
