We wish you and your family, a relaxing break! Students and staff have worked hard and everyone is ready for a holiday. Take time to enjoy one another at this special time of year. The dedicated staff and supportive parent community have worked together, as we focus on working toward student learning goals. Staff have given their best personal and professional attention to the needs of all our students in their work, to provide excellent learning experiences for students at **Cloverdale**. Students have been working hard in class; committed to being the best learners they can be. Our office and custodial staff contribute greatly to the success of our students as well. I would like to acknowledge their contributions to the culture of our school and the success of our students. Thank you! The support of our PAC is also very much appreciated. We are extremely fortunate to have such a dedicated, energetic team willing to work so very hard. Be safe, be healthy, and we will see you in 2021.
