SCHOOL UPDATES:

Principal's Message

January is shaping up to be a busy month here at **Cloverdale Traditional School**, many classroom projects, lots of learning, and, ArtsReach is once again offering us workshops; this time covid-friendly theatre.

Daily physical activity is a very important component to a healthy lifestyle and we are working hard at **Cloverdale** to provide opportunities for students to explore and enjoy a variety of activities. Thank you to our PAC who have supported these activities.

Parents of Grade Five students, please make sure you have read the email you received outlining transition to middle school.

As always, thank you for your continued support as we work through these strange pandemic times.
