SCHOOL UPDATES:

Principal's Message

As another month comes to a close, we realize how quickly this year is moving. We have seen things that we certainly didn't expect, but the empathy, patience, and kindness shown have proven the strength and compassion of this amazing community. **Cloverdale Traditional School** has remained focused on the student learning, it is known for. It has continued to be a place of community belonging, safe exploration, exceptional growth and personal goal setting. I am proud to call myself a member of this fabulous school community.

Please remember daily health checks are important to keeping everyone healthy and safe.
