SCHOOL UPDATES:

Principal's Message

As we bring the month of May to an end, we prepare for the final month of the school year at **Cloverdale Traditional School**. The final four weeks of this school year will be extremely active for all of us, and there is much to look forward to as we build on our current successes and growth!

Our staff participated in a variety of learning events last Friday. The skill sets at **CTS** continue to amaze, and the passion with which each and every one of our fabulous staff take on the responsibility of promoting student growth is outstanding!

For the safety of students we ask that you please call or email the school if your child will be late or absent from school. We understand that morning time is often busy, but it is important that we know whether or not we should expect students at school. It is also vital that we have your current contact information. Thank you for ensuring that the office is made aware of any changes to telephone numbers or email addresses you may have made throughout the school year.
