Principal's Message

As we approach the end of this calendar year, I would like to say how pleased I am to be part of this **Cloverdale** community. While the pandemic continues to impact our lives, we can be proud of how we have come together these past few years to provide a robust educational experience for our students. Thank you to the staff for being flexible, creative and working tirelessly on behalf of **Cloverdale**. We appreciate the families for supporting our efforts through these complex times. I wish you all a wonderful holiday, where you are able to connect with family and friends. I hope you are all able to relax, recharge and refresh.
