### SCHOOL UPDATES:

#### *Principal's Message*

**Cloverdale** is always a vibrant and active school and the month of February is no exception. Numeracy and literacy skills continue to be developed through a variety of classroom activities throughout the school. Learning is both fun and interactive. Student projects are shared and demonstrated with pride throughout the school. Your support at home is very much appreciated and makes a huge difference to your child's feeling of success. Thank you for taking the time to support homework routines, special projects and home reading.

We currently host running club, after school floor hockey, and lunch time basketball.

We have had some wonderful sunny (although cool) days to explore, extend learning, and play outside. Thank you to staff, families and students for all of your efforts in this New Year.

We have had another successful fundraiser; our read-a-thon raised more than \$2000, to be spent in classrooms.

If you have any questions, concerns or comments you would like to share, please call or email the office. We appreciate hearing from our community.

Attached to this note you will find our *school snow plan*. Please note the highlights for morning cleaning in order to keep your family safe during your travels to school facilities on icy mornings.

#### *Red, White, and Pink Day*

On February 14 we encourage all students and staff to come dressed in red, white, pink, or any combination of those colors. Participation is voluntary.
