SCHOOL UPDATES:

Principal's Message

It is hard to believe we are moving quickly toward February of 2024! Cloverdale is always a hub of activity and the month February will be no exception. Clubs have begun for this second term, we are getting ready for the *Great Cheetah Chase*, and Pink Shirt Day is fast approaching. Kindness is our focus for February. School District 61 kindergarten registration begins next week for children born in 2019. Registration is all done online on the district website. All documentation requested is very important to the process. You will find this information on the registration link of the SD 61 website. <https://www.sd61.bc.ca/registration/online-registration/>

In order to help keep everyone safe we would like to remind those that drive children to school that the staff area of the parking lot is not for pick up and drop off of children. We have a through lane next to the curb. No car should be left unattended in this area as we attempt to move cars through smoothly. The cones are placed to draw awareness to those places in the lot that should not have cars parked. Please help us all staff safe by following these guidelines.

Students continue to spend time outdoors daily, so weather appropriate clothing is imperative. If your child is a lover of the wet, a spare set of clothing left in their backpack might be appropriate.

Have a fabulous weekend everyone.

Recess Popcorn Sales

Thank you to those who have supported the grade 5 classes Kernel's Popcorn sales on Thursday mornings in support of their legacy gift. Sales will continue for 2 more weeks (February 1, and February 8). The cost is \$3.00 per bag with the choice of butter/salt, white cheese, and creamy caramel. No pre-ordering required. Grade 5's will come around to classrooms before recess on these Thursdays for those who wish to purchase.

CTS PAC UPDATES:

What to stay up-to-date with the CTS PAC? You can do so by following their Facebook page here:

DISTRICT & COMMUNITY UPDATES:

January/February Snapshot – Peer Connections

Peer connections are vital for children and youth as they contribute to the development of social skills, emotional intelligence, a sense of belonging and mental well-being. From kindergarten through to high school, parents can play a crucial role in helping their child navigate friendships by fostering their social skills, providing guidance on conflict resolution, and adapting their support to meet the changing needs of their child -
