SCHOOL UPDATES:

Principal's Message

Spring break is almost upon us. This has been a busy and productive learning term. Students at *Cloverdale School* have shown they always have the ability to put their best foot forward. The students work hard, attend respectfully, and are always kind and considerate. Reports will be available through Parent Connect on Friday next week. This is an opportune time to have conversations with your children about their personal progress and goals for next term, as well as what they feel they may need to continue their academic growth.

We are busily getting ready for our spring concert. The excitement is building. Please be reminded that there will be no family parking in our front lot during these performances; think about walking in or parking a few minutes away to walk the last few blocks.

Have a fabulous, restful break everyone. Enjoy some down time with family.

You will receive a notice regarding the Onesight School Eyeglass Clinic (also attached to this newsletter). Please take a few moments to review the offering if you believe your child requires eyeglasses.

Children in kindergarten and grade one will be offered a vaccination clinic here at the school if they need updates. This will not include flu or COVID inoculations. VIHA has sent confidential packages home to those families who have children who may benefit from this service.

Eyeglass Clinic

The OneSight EssilorLuxottica Foundation, a registered non-profit focused vision care, will be conducting a FREE 1 day eyeglass clinic at Cloverdale on April 15th between 9:00 a.m. – 1:00 p.m. See the poster here for more info on how to get involved!
