

CEDAR HILL MIDDLE SCHOOL PROJECT REPORT

SCHOOL REPLACEMENT- PROJECT UPDATE # 8

3910 CEDAR HILL ROAD

APRIL 15, 2024

As of Monday, April 15:

- Construction vehicles continue to travel to and from the construction site entrance via Gregory Place with traffic supervisors in place for traffic and student safety.
- Dump trucks will continue to haul the piles of dirt from the site during the week of April 15.
- During the school day, students do not use the sidewalk Gregory Place.
- With reduced precipitation, the mud from the school field and pathway from the school to Cedar Hill Road has been significantly reduced.
- The steel super-structure will begin to be constructed by the end of April.

Questions and concerns can be directed to facility@sd61.bc.ca
